RE: REQUEST FOR WEBSITE HOSTING

Reference is made to the above captioned matter.

Following a number of engagements with your staff over the development of a website, we would like to report that our website has since been developed. We are hereby requesting that the website and domain to be hosted by Smart Zambia.

Kindly guide on the procedures and any other information that we may need to provide in order to facilitate the hosting of the website and domain.

Yours sincerely,
TAX APPEALS TRIBUNAL

REQUEST FOR WEBSITE HOSTING

Reference is made to minute number **2025/TAT/01/PR** dated 9th June 2025, regarding the establishment of a domain name and website for your Institution.

We wish to confirm that our Division will facilitate the creation of a government domain and provide technical support for both domain registration and website hosting.

However, please note that your office will be required to:

- Complete the domain registration process, and
- Procure an SSL certificate to ensure the security of the website.

This will be done in close coordination with our technical team, who will guide you through each step of the process. Kindly provide us with the name and contact details of a representative from your office who will work with our team throughout this process.

Should you have any queries, please do not hesitate to contact. **Anthony Chimwala**,
Server Engineer. on email address Anthony.Chimwala@sz.gov.zm or phone
